LOVE INC BANQUET

Love INC is planning a special banquet for 6:00 PM on May 5, 2007 at the Fredonia Hotel. Everyone is invited, and we hope you, your friends, and your family can plan to join us. We will be raising funds for our building as well as recognizing several special friends of Love INC and our community. The cost is \$20 and reservations must be made to Love INC by April 27. Please come and help us celebrate on this special evening.

FROM THE DIRECTOR

These are wonderful days to be alive. Many of us have little difficulty counting our blessings, for we have been greatly blessed. And yet it seems that, more often than usual, many of our Neighbors are calling the Clearinghouse with long lists of legitimate needs. Their needs are so many and so serious that it is sometimes hard to know where to begin.

With steadfast patience and faithfulness, our Love INC Clearinghouse Coordinator and many Hometown Missionaries set about untying the knotted-up circumstances of woeful Neighbors. The methodical, careful, and sometimes tedious task of love is valuable beyond what we sometimes know. For Neighbors who may have not only forgotten their blessings, but begun to doubt the Author of blessings Himself, it brings hope.

One by one, the various needs of Neighbors are considered and plans are set as to how best to care for our Neighbors... to bandage their wounds, take them to safety, and provide continued care for their full recovery. We witness how God gives more to our Neighbors even than they ask, just as He does for us all.

This is my request of you all. Pray. Pray for the hearts and minds of our staff and Hometown Missionaries... pray we will discover God's plan for every Neighbor who calls... pray for every Neighbor to see and remember the strength and love and blessings of our God. *-Roger Aker*

30 HOUR FAMINE

On March 30 and 31, many of our junior and senior high students will be learning through experience about hunger and how to help others who are hungry and in need. 30 Hour Famine is a community-wide event where students perform many service projects love while they are fasting. It is a great weekend event of spiritual awareness and growth for many young Hometown Missionaries. We are praying it will be a time of enrichments that will change their lives and the lives of all those they will love and serve.

A LOVE STORY

We occasionally receive notes of gratitude. One such appreciation was made by a Neighbor who wrote how overwhelmed she is with the love that has been demonstrated to her. Having called Love INC for a hospital bed, Hometown Missionaries also learned she needed an electric scooter and wheelchair ramp as well.

Following the delivery of the bed, Hometown Missionaries from Texas Mobility delivered a very nice electric scooter that had been donated to Love INC. Plans were also made by a group of builders from Fredonia Hill Baptist Church to build a wheelchair ramp allowing her to enter and leave her home aboard her new scooter.

Her loving note of thanks expressed how much easier and pain-free her life is now. Her husband no longer has to carry her from their home, down the steps, and to the car for every trip. Her note reminds us of the impact of God's love applied to people all around us.
