We still need help with the following:

Publicize the food and fun activities our churches will provide in the parks this summer.

Flyers will be given out in neighborhoods around the parks a week or two ahead.

Recruiting people skilled in presenting a Christian message to children in an entertaining way: Magicians, clowns, puppets, drama, crafts, or others.

From the DIRECTOR

Our delight is to help people know who needs special love in our community, including what they need and when they need it. We also enjoy reporting these acts of love for all of us to enjoy.

We are always interested in our newsletter getting into just the right homes, so we are updating our mailing list. We are reluctantly taking a few inactive people off our list, while hoping always to add more new names as well. If you do not receive a newsletter next month, please report the error to Love INC at 569-8555. If you know someone who would like to begin receiving the newsletter, please let us know that, too.

Shared Blessings / August 28

(New shoes, jeans, and backpacks)

We are setting plans to again help families with back-to-school clothing. The number we can serve depends on cash and used clothing contributions before **August 24**.

We will again be setting up and sorting clothing on **August 27 from 9am-12pm** at the Family Life Center of **First Christian Church**.

We are working on the list of people who want to work during Shared Blessings from **8am-4pm on Tuesday, August 28**. Let us know which of the following areas interests you:

- Set up tables and clothing racks
- Sort clothing
- Serve refreshments
- Host Neighbors as they select new and used school clothes

A LOVE STORY

Corrie Ten Boom tells us that “joy runs deeper than despair”. Even in our worst times, we cannot deny the persistence of hope for a life of joy.

When “Jane” called us recently, she felt plenty of despair. She was tired of destroying her health through drug abuse... tired of her grandchildren growing up without her... tired of trying to block out all the bad things in her life. Although having used drugs for a long time, Jane was desperate for change when she called Love INC.

Having arranged to enter a rehab center, Jane had no way to get there. When she called Love INC for help with transportation, Jane admitted that she didn’t even have her own suitcase for clothes and personal items. A Hometown Missionary readily agreed to buy Jane’s round-trip bus ticket to the rehab center. Another Hometown Missionary delivered a suitcase to Jane to help her on her trip, and continues still in daily prayers of intercession for Jane to help her on her journey.
